"We have visitors this morning," the teacher said. "A journalist and a photographer from a newspaper are coming. They are going to write an article about our school and take some photos. Some of you will be in them."

Dasun is small in size. His classmates always make jokes about his size.

Dasun grinned even though Chatu's comment was painful. He always grinned when people made jokes like that. He understood they didn't mean to hurt his feelings.

The people from the newspaper arrived. "Call me Salika". The journalist said. She had long hair and looked very pretty. "I'm Senaka." The photographer, said. He carried a camera with a huge lens.

While chatting with the students Salika said that a journalist has to write clearly and truthfully. She invited the students to ask questions.

Kavinda asked, "Who is the most amazing person you have interviewed?"

"Oh, the most amazing person? A 100 year old lady who was learning to use a computer." She answered.

Then Senaka told the children to get ready for a photograph. He told Dasun to come forward and focused the camera on him. The children were surprised. "Is it because he is short?" asked Nalina.
